

FULL MOTION DUAL STUD MOUNTS

FMX2

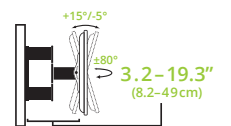

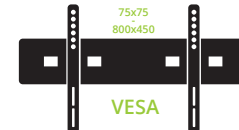

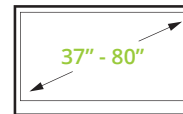

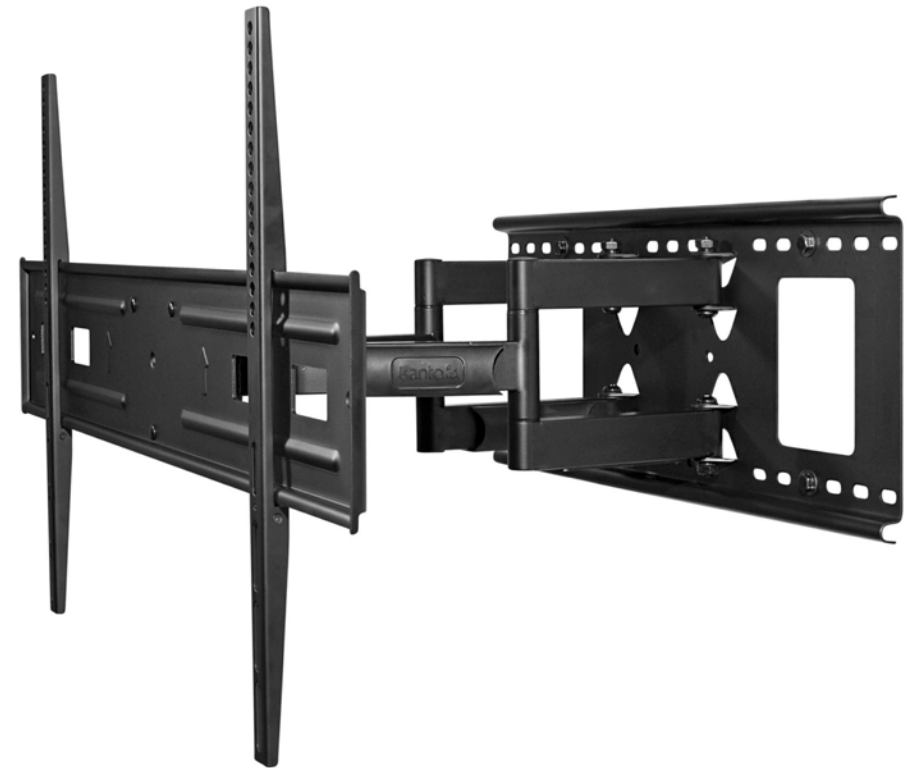

This mount is a crowd favorite.

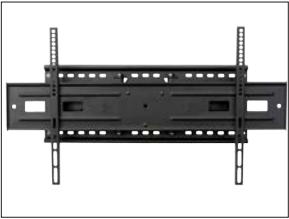

The FMX2 is an articulating TV wall mount that offers an impressive range of motion. Built for TVs up to 80" in size and weighing up to 130 pounds, this full motion TV mount does it all – extends 19" from the wall, swivels 80° left or right, and tilts 20°.

Perfect for hanging TVs with even the widest VESA patterns, you can shift your TV on the plate to optimize your viewing position. With sleek cable management, solid steel construction, and an easy installation process, you've got everything you need to display your TV safely and securely.

- UPC: 800152015569

FITS VESA SIZES TO 800x450

The FMX2 accommodates a wide range of VESA sizes from 75x75 all the way to 800x450. From small flat panel TVs to big screens, this mount gives you the convenience of compatibility so when you invest in a different TV, you won't have to buy a new mount.

OVER 19 INCHES OF EXTENSION

The FMX2's full reach extends a generous 19.3" from the wall to accommodate a variety of TV uses from simple viewing, to home exercise, to gaming, and more.

WIDE RANGE OF SWIVEL

Depending on the size of your TV and the amount of extension, you can swivel your TV up to 80° in either direction. Allow your TV to adjust to your lifestyle.

20 DEGREES OF TILT

The tilt mechanism is easily accessible and uses a swing-over lever system that does not require tools. Tip your TV forward 15°, backward 5°, or anywhere in between, and quickly tighten the head in place at your desired viewing angle.

SLEEK CABLE MANAGEMENT

An integrated cable management system allows you to route your power and video cables neatly between the TV and the wall. Keep your cables tidy and out of sight for a clean, organized look.

SAFELY SECURE YOUR TV

Use the captive screw to securely fasten your TV to the TV plate. Your TV will always stay in place at the perfect position.
