

# DMG1000

## The flexibility you deserve.

Give yourself flexibility with the DMG1000 series – the desktop monitor mounting solution for VESA-mountable monitors.

With tilt, swivel, height, reach and rotation adjustments, your monitor adjusts to you. The adjustable gas shock system supports monitors weighing between 7.7 and 18.7 pounds, for easy push-of-the-finger height adjustments that make your monitor feel like it's floating.

Reduce eyestrain, back strain, and neck stiffness by using the DMG1000 to adjust your display to suit you.

## FEATURES & SPECIFICATIONS

- Fits most flat panel computer monitors and televisions from 17" to 27"
- Supports displays between 7.7 lb (3.5 kg) and 18.7 lb (8.5 kg)

- Five year warranty
- Shipping box weight: 8.4 lb (3.8 kg)
- Shipping box dimensions: 17.5" x 13.4" x 5.3" (44.5 x 34 x 13.5 cm)
- Product weight: 6.2 lb (2.8 kg)
- UPC: 800152713342 - DMG1000 (Black)
- UPC: 800152713359 - DMG1000S (Silver)
- UPC: 800152713366 - DMG1000W (White)

### VESA COMPATIBLE HEAD

The mount head attaches to your monitor and fits common VESA patterns of 75x75 and 100x100. With its simple design, it is easy to attach and maneuver your monitor to suit your needs.

### ATTRACTIVE BASE

The solid base will hold monitors up to 18.7 pounds. Even as you swivel your monitor and apply pressure to the mount, it will remain securely fastened in place.

### WEIGHT ADJUSTMENT

Designed for monitors weighing between 7.7 and 18.7 pounds, the DMG1000 uses a gas shock system to make your monitor feel like it's floating. Simply use the provided Allen key to adjust the mount's tension for optimal balance.

### CABLE MANAGEMENT

Safely tuck your cables out of view using the built-in cable management system. Route your cables through the DMG1000 clips so they are securely in place as you swivel and tilt your monitor. Leave the cables slack around the pivot points so movement is smooth.

### LOW-PROFILE DESIGN

With a low-profile design, push the DMG1000 back towards the wall to allow yourself more space on your desk. For an up-close view, extend the monitor toward you.

### EVERYTHING YOU NEED

The DMG1000 comes with all the brackets, mounting bolts, washers and spacers you'll need to fit virtually any monitor and any desk. Phone support and an online video are available to help with your installation.
