

MTM55PL-S

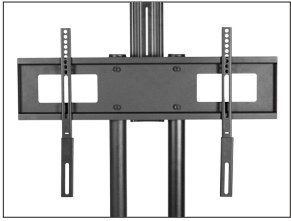

Redefining the term 'mobile device.'

The MTM55PL-S provides a safe way of maneuvering your TV around any home or office setting. Its steel frame is quick to assemble and features 2-inch rubber casters to smoothly roll it between locations. Along with a steel top shelf suitable for a webcam, this mobile stand comes with a steel component tray that provides a strong and stable surface for your laptop, gaming console, or other AV equipment. It also features telescopic center columns that offer 20 inches of height adjustment and include integrated cable management for an exceptionally tidy setup. To ensure your TV and accessories remain secure, each wheel includes a quick release lock that can be easily applied and released with your foot.

- Product weight: 47 lb (21.3 kg)
- UPC: 800152717531

SUPPORTS 80 POUNDS

Constructed out of steel, the MTM55PL-S safely supports 32" to 55" TVs and a combined weight of 80 pounds, and features adjustable mounting brackets to accommodate VESA sizes from 75x75 to 600x400.

SIMPLE HEIGHT ADJUSTMENT

Height adjustments are made easy with two buttons located on the center columns. At 2" increments, place the center of your TV anywhere between 38" and 58" for optimal viewing.

STEEL SHELF & TRAY

The MTM55PL-S includes a height-adjustable steel tray capable of supporting up to 15 pounds, providing a strong and stable surface for your laptop, gaming console, or other AV equipment. A top shelf is also provided to conveniently place a webcam, making the stand perfect for web conferences.

SLEEK CABLE MANAGEMENT

Keep your cables organized and out-of-sight with integrated cable management.

QUICK RELEASE WHEEL LOCKS

Ensure your equipment remains stable with four individual wheel locks. Simply step down on the pedal to enable the locking mechanism and flick up to release.

QUICK SETUP

The MTM55PL-S is easy to assemble and comes with an online video to guide you through each step. Extensive phone support is also available to help you along the way.
