

# MTM65PL

The MTM65PL provides a safe way of maneuvering your TV around any home or office setting. Its steel frame is quick to assemble and features 2-inch rubber casters to smoothly roll it between locations. Along with a top shelf suitable for a webcam, this rolling TV stand includes a height-adjustable plastic tray to conveniently carry your laptop, PVR, or other digital devices. Its telescopic center columns offer 16 inches of height adjustment and feature integrated cable management for an exceptionally tidy setup. To ensure your TV and accessories remain secure, each wheel includes a quick-release lock that can be easily applied and released with your foot.

## TECHNICAL ILLUSTRATIONS

### SUPPORTS 80 POUNDS

Constructed out of steel, the MTM65PLW safely supports 37" to 65" TVs weighing up to 80 pounds, and features adjustable mounting brackets to accommodate VESA sizes from 100×100 to 600×400

### SIMPLE HEIGHT ADJUSTMENT

Height adjustments are made easy with two buttons located on the center columns. In 2" increments, place the center of your TV anywhere between 44.1" and 60.2" from the floor for optimal viewing.

### DEVICE TRAY

The MTM65PL includes a height-adjustable device tray capable of supporting up to 10 pounds, providing a stable surface for your laptop, PVR, or other digital devices. A top shelf is also included to conveniently place a webcam, making this stand perfect for web conferences.

### INTEGRATED CABLE MANAGEMENT

Keep your cables organized and out-of-sight by routing them through the stand's hollow support columns.

### QUICK RELEASE WHEEL LOCKS

Ensure your equipment remains stable with four wheel locks. Simply step down on the pedal to enable the locking mechanism and flick up to release.

### SHELF AND TRAY
