

# PDX660

## Unimpeded support.

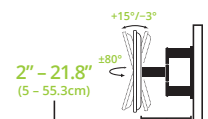

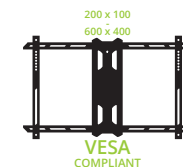

Built for flat screen TVs measuring up to 75", the PDX660 offers over 21" of extension, giving you the ability to tilt and swivel your TV into the most optimal position. Exceptionally strong yet lightweight enough to make installation a breeze, this full motion wall mount ensures your TV remains safe and secure.

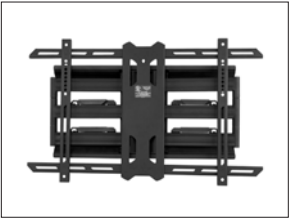

The PDX660's low profile design allows your TV to sit a mere 2" from the wall when fully retracted, and comes with magnetic covers and cable management clips for a remarkably clean setup.

- Product Weight: 22.7 lb (10.3 kg)
- UPC: 800152715568

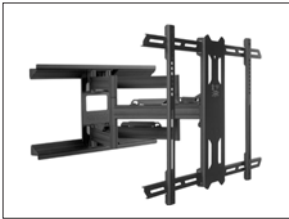

### LOW PROFILE DESIGN

The PDX660 lets you push your TV within 2" of the wall and features an unobtrusive H frame assembly to provide easy access to your TV inputs.

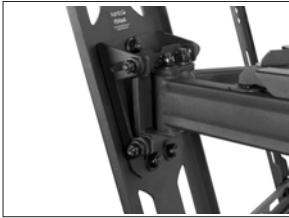

### EXTENDS OVER 21 INCHES

Featuring two wishbone arms for maximum stability, the PDX660 can extend a remarkable 21.8" from the wall, giving you the freedom to pan and swivel your TV to accommodate a variety of viewing positions.

### SUPPORTS 125 POUNDS

Constructed out of durable steel, the PDX660 is designed and tested to hold up to 125 pounds.

### 18 DEGREES OF TILT

With 15° of forward tilt and 3° of backward tilt, the PDX660 helps to reduce glare and ensure proper line-of-sight with your TV.

### WIDE RANGE OF SWIVEL

The articulating arms allow you to swivel your TV 80° in either direction, depending on your TV size, allowing you to achieve the perfect viewing angle.

### EVERYTHING YOU NEED

Because every installation is unique, the PDX660 is carefully packaged with all the lag bolts, anchors, mounting bolts, washers and spacers that you could need. Phone support and an online installation video are also available to help you along the way.
