

PX600

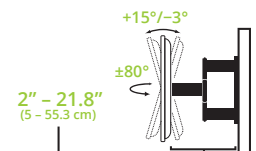

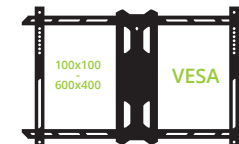

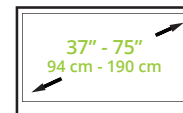

Unimpeded support.

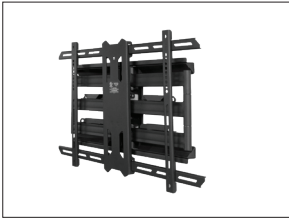

The PX600 combines a low-profile design with substantial tilt and swivel capabilities to deliver a highly functional mounting solution. It's dual support arms allow your TV to sit a mere 2 inches from the wall when fully retracted, and can be extended over 21 inches to accommodate a variety of viewing angles. Magnetic covers and cable management clips are also provided for a remarkably clean setup. Exceptionally strong yet lightweight enough to make installation a breeze, the PX600 ensures your TV remains safe and secure.

- Product Weight: 22.7 lb (10.3 kg)
- UPC: 800152715995

LOW PROFILE DESIGN

The PX600 lets you push your TV within 2" (5 cm) of the wall and features an unobtrusive H-frame assembly to provide easy access to your TV inputs.

EXTENDS OVER 21 INCHES

Featuring two central arms for maximum stability, the PX600 can extend a remarkable 21.8" (55.3 cm) from the wall, even at full capacity.

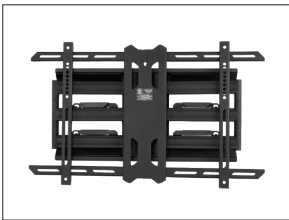

SUPPORTS 125 POUNDS

Constructed out of steel, the PX600 is designed and tested to hold up to 125 lb (57 kg).

18 DEGREES OF TILT

With 15° of forward tilt and 3° of backward tilt, the PX600 helps to reduce glare and ensure proper line-of-sight with your TV.

SWIVELS UP TO 160 DEGREES

When fully extended, the articulating arms allow you to swivel your TV up to 80° in either direction, depending on the size of your TV.

EVERYTHING YOU NEED

Because every installation is unique, the PX600 is carefully packaged with all the lag bolts, anchors, mounting bolts, washers and spacers that you could need. Phone support and an online installation video are also available to help you along the way.
