

STM55

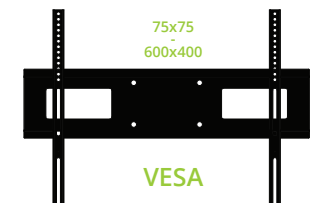

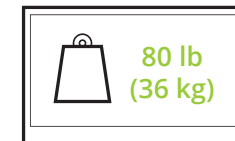

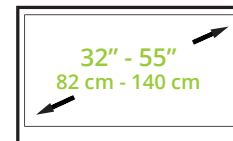

No walls necessary.

Suitable for tradeshow, office presentations and general home use, the STM55 TV floor stand provides a convenient way of displaying your TV wherever you need it. Designed to support up to 80 pounds, this low-profile stand offers excellent stability while taking up minimal floor space. Its heavyweight steel base features adjustable feet for easy leveling, as well as mounting holes to screw it to the floor for added security. Telescoping center columns provide up to 14 inches of height adjustment and include integrated cable management for a professional looking setup.

- Product weight: 44.1 lb (20 kg)
- UPC: 800152718378

TECHNICAL ILLUSTRATIONS

LOW-PROFILE DESIGN

Contoured to take up less floor space, the base is also slim enough to sit under carpet or an existing shelving unit.

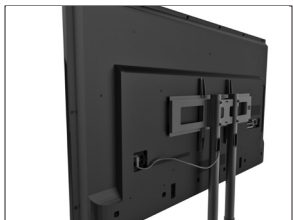

HIGH STABILITY

The heavyweight steel base features adjustable feet to keep it level, as well as pre-drilled mounting holes to secure it to the floor for added security.

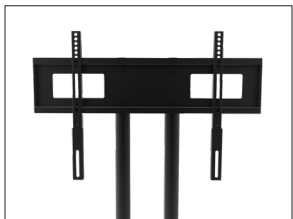

ADJUSTABLE HEIGHT

Telescopic center columns can be adjusted at 2" increments to place the center of your TV between 40.8" and 54.5" from the floor.

CABLE MANAGEMENT

Conveniently route your cables through the center columns to keep them protected and out of sight.

VESA COMPLIANT

The STM55 comes with two extension arms to support VESA sizes up to and including 600x400.
